N. Rama Rao, Esq., B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore,
Development Departments,
BANGALORE.

Sir,

I have the honour to state that considerable inconvenience is felt in this office by the failure of many of the companies to prepare the documents to be filed in this office under the Mysore Companies Regulation in the prescribed forms. The papers used by them in preparing the documents are in many cases flimsy and are not of uniform size with the result that it is difficult to preserve them without causing damage. As it is intended to adopt the Madras system of filing, it is essential that all the Files are of a uniform size and that the paper used in preparing the documents should also be of a superior kind This can be achieved by our printing all the Forms prescribed in the Regulation and in the Rules made thereunder and making them available for sale to the public at the Government Central Book Depot as is done in Madras and other provinces. I therefore request that orders of Government may kindly be ob-

-tained

obtained on my proposal to print the forms mentioned in the list enclosed in the Government Press The price at which the forms are to be sold is also mentioned.

I have the honour to be,

Sir,

Your most obedient servant,

J McGonagall
